SUMMARY of Region Activities (and include *Relevance to CCCAOE Work Plan*)

The annual Northern California Fire Summit was held in South Lake Tahoe and was very well attended. This event has provided an excellent opportunity for college collaboration.

CCCAOE was represented at the EWD/CALED conference in Monterey but more members need to attend.

CCCAOE spring conference was well attended by North / Far North members.

Workforce Development Institute in Newport Beach was attended by N/FN VP.

College of the Siskiyous was awarded a \$115,000 Walmart Rural Health Grant.

Many North / Far North Colleges are working with their community leaders to effectively utilize ARRA funding.
