SUMMARY of Region Activities (and include *Relevance to CCCAOE Work Plan*)

1) A Bay Area Community College Consortium (BACCC) meeting was held on May 21, 2009 with discussion on the following:

“Understanding China From Within” Gary Pieroni, Diablo Valley College [Discussion followed re: cultural differences in learning styles, classroom participation, applying China’s business model in other countries](#)

New Energy Discussion

- Assessing interest in developing a Plan for our Region
- Insights from some of those immersed in the topic
- Round Robin Group Think

Regional Response to Newspaper Industry Lay-Offs

ARRA - Stimulus

- Quick Report Outs on efforts since the BACCC-WIB meeting
- WIB Feedback on BACCC-WIB meeting
- CCCAOE/CWA/Regional Consortia efforts to build collaborative capacity
- Review of regional inventory results to date (handout)
- MARKETPLACE DISCUSSION - conversation to foster independent collaborations and inform statewide efforts to support

2) A BACCC Water Marketplace meeting was held on May 15, 2009 with discussion on the following:

Update, COE Water Scan (John Carrese)

Meetings held to date (Bay Area Forum WFD Taskforce: SFPUC, East Bay MUD, Contra Costa WD, Union Sanitary District, San Jose Water Company, Santa Clara Water District): counties included in above: Contra Costa, Alameda, San Mateo, Santa Clara, Marin and SF

South Bay Water Collaborative (Bill Dahl will get John contact info for this - may already be included via Ray Yep, Laura Caccia confirmed we are connected to this group via Ray - i.e., have it covered)

Is broader water district participation needed? Can we include North Bay water districts? right now the plan is to capture this (napa, sonoma, south bay?)

Where **we** are at in the process (hope to distribute survey by June 09/write up July, Report released Aug 09)

Review Course/Program Inventory Survey Instruments

- Internal Scan
- Support Occupations Scan
 - Questions

- Comments
- Commitment to complete is by **June 2, 2009**
- Next steps?! (distribute via baccc listserve)

Don Jones: Cuyamaca update

- IDRC Successful
- Solano a partner
- Co-hosting a Water Industry Workforce Development Strategic Planning Summit
AWWA
 - San Diego
 - Aug 6 & 7
 - We are all invited
 - Someone from our group to present Bay Area Effort? Linda going willing to present, David not able. Dual approach John/Linda presentation - we think water utility representation in presentation would be good.

3) A Community College Faculty Forum – Energy Efficiency was held on May 8th, 2009 with discussion on the following:
