Bay Area Community Collaborative Consortium BACCC

- **BAY REGION PLAN FOR NEW ENERGY**
A current priority of the NEW Initiative is the development, hoped resourcing, and implementation of a Bay Region Plan for New Energy - follow this link to access a working document that defines this effort: [Bay Region Plan for New Energy](#)
- **Water/Wastewater**
The Water/Wastewater marketplace is consortium of Bay Region community colleges, EWD Initiatives and other workforce development stakeholders exploring collaboration in responding to industry's current and emerging water-related workforce needs.
- **Centers of Excellence/BAYWORK Labor Market Scan**
Bay Region Water/Wastewater Scan (labor market) results are now available at the Centers of Excellence website
- **Proposed Regional Model for Workforce and Economic Development**
Worked with Regions and CCCAOE Board to review and draft
Bay Region Workforce and Economic Development Strategy
- **ARRA - Stimulus**
Survey of BACCC Colleges Regarding Partnerships with WIBs
