The Los Angeles and Orange County Region continues to work on specific topical issues.

### **Green Technologies**

Community College Faculty Forum: Energy Generation & Energy Efficiency – January 22, 2010 from 9 AM to 2 PM at the Sheraton Cerritos – Susan Coleman, Coordinator, Los Angeles/Orange County Regional Consortium. The LA/OC Regional Consortium Steering Committee decided to pull together a group of faculty members in the energy efficiency area. This first meeting had 35 attendees. It had a presentation by Centers of Excellence on Energy Efficiency Occupations. This faculty only forum generated an interest in a second meeting with industry and workforce investment system presenters. The second meeting was held on March 5, 2010.

### **Workforce Investment Board System**

The Ideal Partnership – Dr. Lyla Eddington and Dr. Lynn Shaw

This project is working to better connect the community colleges with their local workforce investment boards and one stop centers. This

project is also coordinating with and advising the statewide effort.

### **Workshops Presented**
