

# CCCAOE BOARD REPORT

June, 2011

Sid Burks

Vice President: Desert Region

Date submitted: June 3, 2011

## **SUMMARY of Region Activities**

The regional Planning retreat held in February was reviewed. Also at the April 4<sup>th</sup> meeting, Rhonda Mills from CERT gave a presentation on the jobs that will be available from “green projects” slated for the region. Regional CTE Deans continue to discuss how colleges can work together to offer a maximum number of programs with diminishing resources. The Region has asked that the Academic Senate and/or HWI coordinate a statewide effort to standardize Medical Assistant Program requirements (similar to the standardization of Early Childhood Program).
